*HALF OF MY TEEN FANTASY
CAME TRUE WHEN I WAS A
VIP AT HIS CONCERT, AND HE
HELD MY HAND THE ENTIRE
SONG. DREAM COME TRUE!*

...

INTERVIEW

Describe yourself in three words.

Describing myself in three words, let's try four words: Not your average girl

What made you get into modeling?

I'm a cancer survivor so modeling has helped me push through many obstacles and has really opened up more doors for me to have an exciting life.

Who inspires you and why?

My mom inspires me, but there's no one else who can handle my sass the way she does. Because of her I am the strong minded, not scared of anything woman I am today.

Your favorite superhero?

My favorite superhero is captain America and Batman, I think we can all agree they're downright sexy!

Who is your celebrity crush?

My celebrity crush is Justin Timberlake! Half of my teen fantasy came true when I was a VIP at his concert, and he held my hand the entire song. Dream come true!

What's your favorite sport?

My favorite sport is definitely SEC college football, go dawgs!!!

The most unusual place you had sex.

Most unusual place I've had sex. Now now.... a good girl is just a bad girl who doesn't get caught, so let's keep this hush hush.

What's your favorite color?

My favorite color is more than one! Red because it's sultry... pink because it keeps my young, and black because it matches everything!

What's the best part about modeling?

The best part about modeling is the opportunities and people I get to meet and network with. In my experience, I've met the most wonderful people who have become not only business partners, my teams, but also my family!

Foods you crave.

Foods I crave... gosh, what is it about cheesecake and Texas Roadhouse biscuits that you just gotta have?

What do I do to relax?

STACEY HAYES

Photography by Mario Barberio

A woman with long blonde hair, wearing a light-colored cowboy hat and a white top with black straps, is seated in the driver's seat of a classic car. She is looking out the window to her right, with her right hand raised to the side mirror and her left hand near her face. The car's interior features a black steering wheel, a dashboard with a speedometer, and a radio with the word "BUICK" visible. The background is bright and out of focus.

MANCAVE PLAYBABE

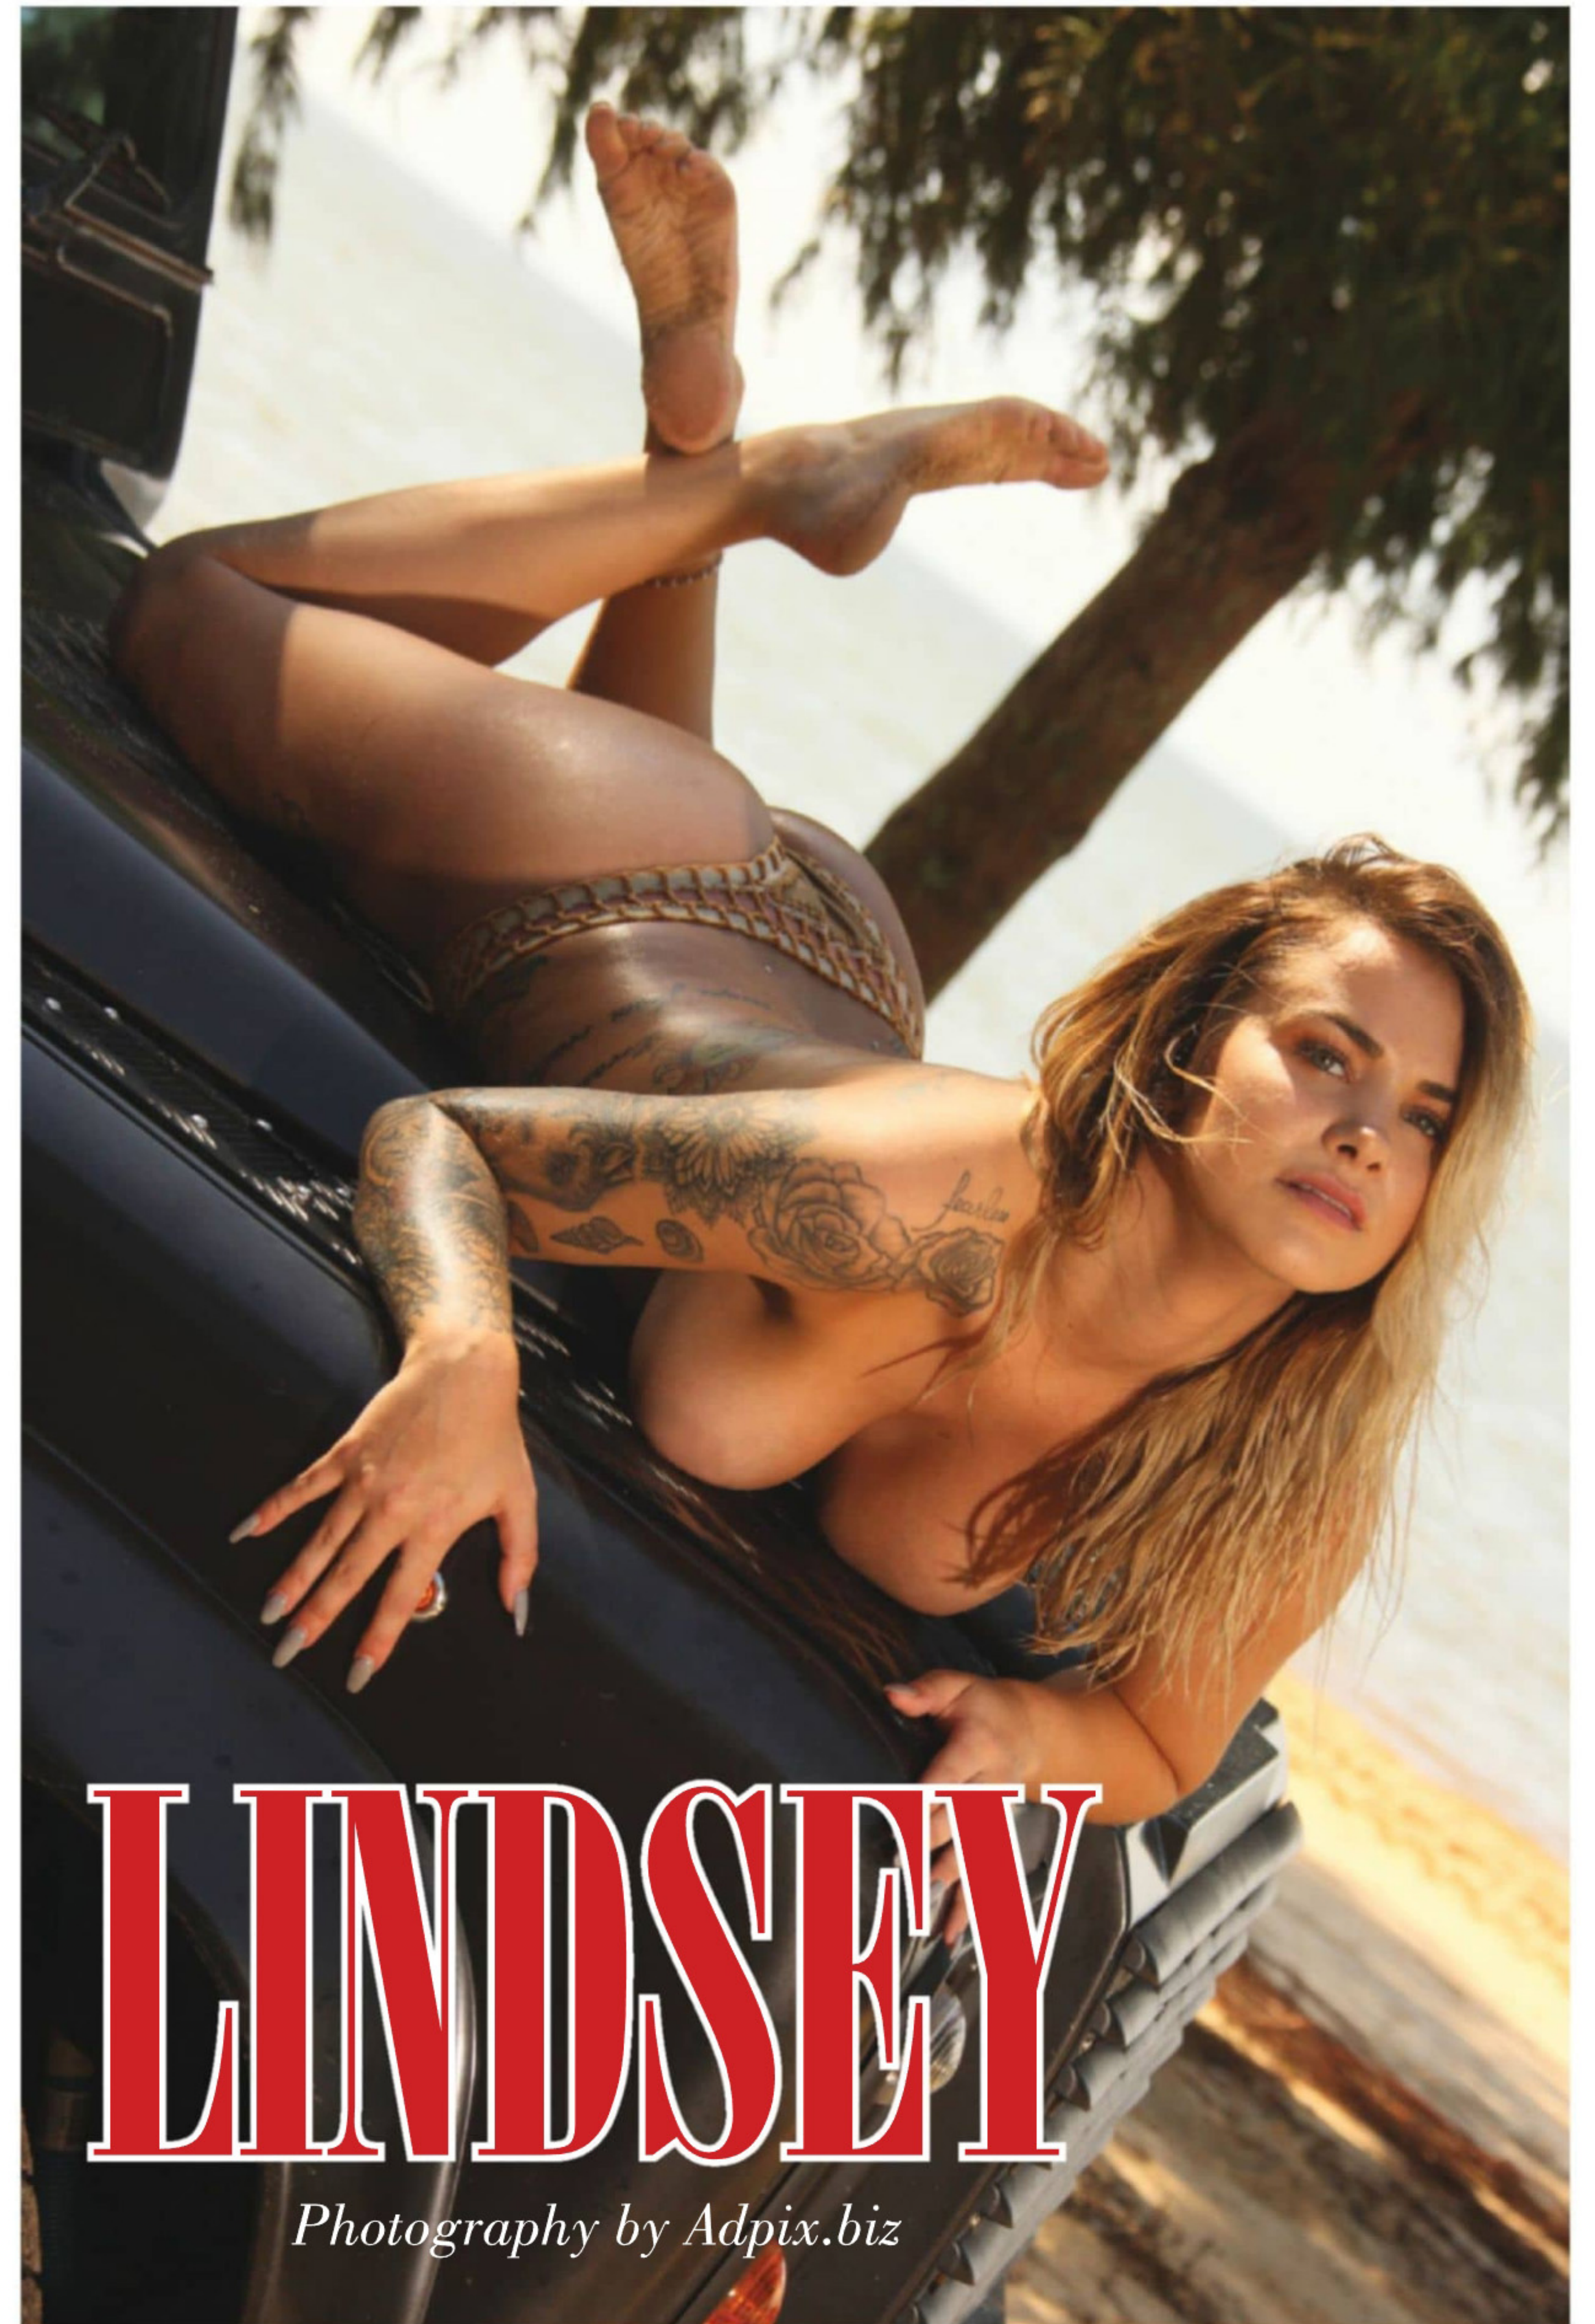

Lindsey's photoshoot was shot by AdPix.Biz with a genuine, right-hand drive, 1987 Land Rover 110 (a/k/a Defender County Station Wagon), with 200TDi diesel, on a beach where they weren't supposed to be. It was just them and the clean-up crew from the County Prison Work Release program nearby, who told them they had just enjoyed the best time of their incarceration!

Who inspires you and why?

Many people inspire me in different ways. Cher is my inspiration for how I dress always sexy and very sparkly or full of fringe. Lady Diana inspires me to be a better human and to always want to do more. And Britany Spears inspires me to be myself.

Do you have a charitable cause you care about?

My charitable causes would be to help the migrant children at the border as well as helping and supporting the foster and adoptive kids.

GREW UP IN A SMALL TOWN, STUDIED HARD, LOVED DRAMA. PARENTS MOVED AND MADE ME BUILD A NEW HOUSE WITH THEM, PLAYED LOTS OF MARIO KART AND ZELDA WITH MY SIBLINGS.

Do you prefer selfies or camera shots?

I love selfies because they are more intimate but working with camera shots with a photographer I love most because you have two creatives coming together to make magic.

What is right in the world?

I think people's strong motivation to grow as a whole and help others is great in this world.

Should books be determined to be outdated and no longer functional?

Books should always be a thing; the smell and texture of old books are the best.

Who is your favorite role model and why?

My favorite role model is Angelina Jolie. I hope to grow as gracefully in my acting career.

Do you care at all about Astrology?

I love astrology however I'm not a believer. Fun fact I'm a Libra.

Do you have a favorite number?

My favorite number is 2 and 7

Thoughts on city life versus country life.

I prefer the city, but I love to escape to the country to swim in the rivers in my area of ten.

Where will you be in exactly one year from this moment?

One year from this moment hopefully shooting in another gorgeous country.

Is it ever okay to cheat at anything, why or why not?

Never okay to cheat period. Part of the feeling of the achievement at the end of it all is the hard part the blood, sweat, and tears that got you there.

What would you wear on a perfect date?

Perfect date I'd wear probably something Lacey like a dress or a lingerie bodysuit with a long skirt, so it's simple, sexy, yet elegant.

One thing you'd change, if you ruled the world.

One thing I'd change is planting more trees and having there be Wildlife zones off limits to construction.

My story in less than 5 minutes...

I'm from the Baltimore region. I was adopted and raised here. I grew up with great parents. I'm an actor and model who wants to keep growing in both careers.

If your life was made into a movie, who would play your part and which actor would you want to be your leading man?

If my life was a movie, I'd want Johnny Depp to play the leading man, and me to play myself so I can say I've worked with my celeb crush.
